

Let Me be Myself

By 3 Doors Down

I guess I just got lost...Being someone else
I tried to chill the pain...Nothin' ever helped
I left myself behind...Somewhere along the way
Hopin' to come back around...To find myself someday

Lately I'm so tired of waiting for you
To say that it's okay
But tell me please...Would you one time?
Just let me be myself
So I can shine...With my own light
Let me be myself

Would you let me be myself!

I'll never find my heart...Behind someone else
I'll never see the light of day...Living in this cell
It's time to make my way...Into the world I knew
And take back all of these times...That I gave in to you

Lately I'm so tired of waiting for you
To say that it's okay
Tell me please...Would you one time
Just let me be myself
So I can shine...With my own light
Let me be myself

For a while...If you don't mind
Let me be myself
So I can shine... with my own light
Let me be myself

That's all I've ever wanted from this world
Is to... let me be me

Please, would you one time
Let me be myself
So I can shine with my own light
Let me be myself

For a while, if you don't mind
Let me be myself
So I can shine with my own light
Let me be myself

Would you one time .. ooh
Let me be myself
Let me be me
