

Play BANGO

1. Decide on a character and kind of story you want to write (funny, scary, action, romance,...)
2. Choose one idea from each column of the BANGO table and incorporate them into your story.
3. Once you've used an idea, you can't repeat it in another story. Keep track of the ideas by coloring the boxes you've used.
4. When you complete the BANGO table you get a "You're Awesome!" certificate.
