

Praise You in the Storm
by Casting Crowns

I was sure by now
that you would have reached down
And wiped our tears away
Stepped in and saved the day
But once again,
I say "Amen",
and it's still raining

As the thunder rolls
I barely hear
Your whisper through the rain
"I'm with you"
And as Your mercy falls
I raise my hands
and praise the God who gives
and takes away

chorus

I remember when
I stumbled in the wind
You heard my crying
You raised me up again
My strength is almost gone
How can I carry on
If I can't find You

And as the thunder rolls
I barely hear
You whisper through the rain
"I'm with you"
And as Your mercy falls
I raise my hands
and praise the God who gives
and takes away

chorus

I lift my eyes unto the hills
Where does my help come from?
My help comes from the Lord
The Maker of Heaven and Earth

chorus

And I'll praise You in this storm
And I will lift my hands
For You are who You are
No matter where I am

And every tear I've cried
that You hold in Your hand
You never left my side

And though my heart is torn
I will praise You in this storm
